

IT TAKES A VALLEY

2026 — 2027

PVSF ANNUAL CAMPAIGN

Dear Families, Friends, and Neighbors:

Welcome back to a new school year! For over 35 years, the Portola Valley Schools Foundation (PVSF) has proudly supported Ormondale and Corte Madera Schools by providing annual financial contributions to the Portola Valley School District. This funding plays a critical role in ensuring our children continue to receive an exceptional education.

Last year was a remarkable one for PVSF. Together, we raised \$1.2 million for our schools, with participation from 80% of District families! We also had support from 16 local businesses and 79 community members. We are deeply grateful to every donor whose generosity made this possible.

PVSF is a nonprofit, volunteer-run organization and remains the primary source of private financial support for Ormondale and Corte Madera. Each year, we invite families, friends, neighbors, alumni, and local businesses to give to the Annual Campaign. Your tax-deductible donation makes a tangible difference for our children, our teachers, and our schools.

Please consider supporting the 2026-2027 Annual Campaign today! Together, we can ensure our schools continue to thrive.

It truly takes a valley!

raise \$1.2M

100% participation

The Portola Valley Schools Foundation is absolutely essential to what makes our schools extraordinary. Thanks to its annual contribution of approximately 5% - 8% percent of our operating budget, we're able to keep class sizes small, offer robust arts and music programs, provide counseling services, and support innovation in learning. Whether through general fund support, endowment grants, or special projects, the Foundation gives us the flexibility to pilot new ideas — things beyond what state funding alone could ever sustain. Its partnership with our district allows every student at Ormondale and Corte Madera to thrive, and every educator to deliver at their best.

THANKS TO THE FOUNDATION

we can continue to provide our children with a well-rounded education.

“

I take pride in the variety of extra activities we are able to provide our students. We have a phenomenal arts program, music, band, technology programs, social emotional learning, a gardening club, theater, and athletics. At CMS, we really strive for our kids to be academically challenged, but we also provide them opportunities to pursue their passions and interests.

”

Kristen Shima
CMS Principal

Our curriculum, our programming, and our specialists are helping shape our children into well rounded people. Our students leave Ormondale well-prepared, well-balanced, and simply kind and good people.

Our donor lists contain the names of contributors whose Annual Campaign gifts were received between July 1, 2025 & June 30, 2026. Every attempt is made to ensure the accuracy of this information. If a correction is needed, please notify PVSF at donations@pvschoolsfoundation.org.

Donate Today!

Donations range from \$20-\$30,000

We are asking district families to consider donating \$3100 per student, an amount consistent with neighboring, high-achieving school districts. However, we recognize that this amount may not work for every family and are appreciative of all contributions. Each gift, whether \$30 or \$30,000, represents a vital show of support for our schools and inspires other families to give what they can year after year. Your donation is tax-deductible.

Pledge or donate online.

Go to pvschoolsfoundation.org to donate, pledge, gift securities, and learn about corporate matching.

Or, donate by check. Use the enclosed remittance envelope to mail a check.
